

BRAKEMEN IN CONNELLVILLE YARDS OF BALTIMORE AND OHIO JOIN STRIKE; GREAT PART OF THE COUNTRY NOW IS INVOLVED

Claim Made That 200 Men Are Out at Local Division Terminal.

TRAINS CONTINUE MOVING

Dickerson Run Yards of Pittsburgh & Lake Erie Said to be Completely Tied Up; Newell Yards of Same Company Affected; Held Meetings.

The so-called unauthorized railroad strike reached the Connellsville region this morning, men quitting their work in the Baltimore & Ohio yards in Connellsville and the Pittsburgh & Lake Erie yards at Dickerson Run and Newell. The switchmen or yard brakemen left their posts and as a result many others in the transportation department, principally, were affected.

While claims were made at the division offices of the Baltimore & Ohio that trains were being moved, strikers declared work was practically at a standstill.

There was rumor that the men at Southfield yards of the Baltimore & Ohio would go out this afternoon. Although no accurate figures could be obtained it was estimated by the men that about 200 yard switchmen, or yard brakemen as they are known in the East, are out on the Baltimore & Ohio railroad in this city. That number is increased by the other railroad men who, the strikers claim, are affected.

At the offices of the railroad company it was said no statement would be given out as plans for handling the situation were just being formed. It was said, however, that no complete tie-up had occurred; that a number of trains had been moved into and from the yards since the walk-out. There were also some yard crews at work it was said.

The company also said the full in the moving of trains would be only temporary or until arrangements had been made to handle the situation. Men employed in other positions are throwing switches and taking the places of the strikers, it was said.

Some of the men affected were on their way to work when informed of the strike and others even reached the yards before they heard it. Others were informed by telephone not to report for work.

The strike was the subject of discussion in all parts of the city. Groups of railroaders could be seen gathered throughout the business district. There does not seem to be any ill feeling against the railroad management but the strikers feel they are doing something to bring matters to a head. The brakemen claim they do not get a living wage due to the conditions which produce the high cost of living.

The strike has not yet affected passenger service. Officials expressed the view that it would not hamper the through trains.

The walk-out occurred between 2 and 3 o'clock. Men employed in the yards ceased work and went to their homes.

The situation on the Baltimore & Ohio here is not nearly so serious as on the Pittsburgh & Lake Erie at Dickerson Run where not a wheel was turned today.

The Pittsburgh & Lake Erie men went out at 11 o'clock last night. The walk-out affected not only brakemen but also the engineers, firemen and hostlers. The machinists did not strike.

While it was estimated some work was being done in the Baltimore & Ohio yards there was a noticeable decrease. Idle railroaders were also evident on the streets. As the weather was warm many of them were down town to learn the latest news on the strike which had developed so suddenly and unexpectedly.

A meeting of strikers was called for this afternoon at 1 o'clock.

Pittsburgh & Lake Erie yardmen at Morgantown, W. Va., went out this morning.

The Newell yards of the Pittsburgh & Lake Erie also were reported to be tied up.

Switchmen on the Pittsburgh & Lake Erie railroad at Bunola, Gassport, Monaca, Newell, Brownsville and Hazelton, all industrial towns near here, quit work today, seriously hampering freight movements and in some cases endangering steel mills and coal mine operations. In some places the switchmen were joined by freight conductors and brakemen.

In Pittsburgh numbers of Baltimore & Ohio railroad switchmen struck but their places were taken by officials and office men, and at noon the terminal yards still showed signs of activity.

Meetings of railroad men in the Pittsburg yards of the Pennsylvania railroad were held last night and today, and while no statement was made by the men, officials said they had information that work would go on as usual. Five hundred workmen were said to have joined the Conway yard strikers where leaders of the strikers declared 200 were already out. Railroad officials declared the number of strikers did not exceed 500.

Local and through passenger trains were moving as usual but freight traffic was at a complete standstill.

EMBARGO ON EXPORT OF FOODSTUFFS DEMANDED

While many railroaders on strike were unable to say where the orders for the walk-out had originated they readily supplied the reason for the strike: A demand on the government to make it possible for them to live. One man, well posted, said the railroaders wanted an embargo placed on the shipment of foodstuffs from the country, which, it was contended, would result in a decrease in prices. This action, or some similar, the railroad man declared, would be more readily accepted than an increase in wages, as the men assert that with every announced increase in pay the price of foodstuffs jumps over what the wage advance amounts to.

IS PLOT TO WRECK THE BROTHERHOODS, HEADS OF "BIG FOUR" CLAIM

Strike is Illegal and Has Nothing to Do With the Wage Question Except to Delay Settlement.

CLEVELAND, April 10.—The present strike of the switchmen was originated for the purpose of destroying the "Big Four" brotherhoods, is the claim President W. G. Lee, Brotherhood of Railway Trainmen; Grand Chief W. S. Stone, Brotherhood of Locomotive Engineers; President L. L. Sheppard, Order Railroad Conductors, and President W. S. Carter, Brotherhood Locomotive Firemen and Enginemen, make in a joint statement issued to the public, as follows:

"The present strike of men engaged in switching service was originated in Chicago by a new organization that has for its purpose the destruction of the Brotherhood of Railroad Trainmen and the Switchmen's Union and in its inception had nothing to do with the wage question, but was a demand for the reinstatement of the leader of this opposition organization. After this strike was instituted for this purpose, the leaders of the new organization then injected the wage question for the sole purpose of deceiving the yardmen throughout the United States and promote the 'one big union' idea.

"There can be no settlement of pending wage questions while this illegal action continues. We insist that every member of these brotherhoods do everything within his power to preserve their existing contracts, which if they are abrogated may take years to rebuild. The laws of all of these organizations provide penalties for members engaging in illegal strikes, and these penalties will be enforced."

EMBARGOES ORDERED ON PITTSBURGH RAILROADS

PITTSBURGH, April 10.—Both the Pennsylvania and Baltimore & Ohio railroads announced freight embargoes here this afternoon. The Baltimore & Ohio ordered an embargo on all freight in and out of Pittsburgh while the Pennsylvania embargo was on Buffalo, Akron, Toledo, St. Louis, East St. Louis, New Brunswick, N. J., Trenton and points beyond. It was announced that the Chicago & Pittsburgh and the Erie and Ashtabula divisions of the Pennsylvania were not affected.

COMERS TO CONFEE ON UNAUTHORIZED STRIKE

WASHINGTON, April 10.—Samuel Gompers, president of the American Federation of Labor, is enroute from New York to Cleveland headquarters of the Brotherhood of Railroad Trainmen. Federation officials would not discuss the purpose of his trip, but it was understood he would confer with the brotherhood leaders on the unauthorized strike of railroad employees.

YOUNGSTOWN STEEL MILLS AFFECTED BY STRIKE

YOUNGSTOWN, April 10.—Thousands of men were thrown out of work here today when the largest steel mills began to close down their plants on account of the strike of 3,000 yardmen. Blast furnaces are being banked, rapidly and many of them are already out of blast.

15,000 MEN WILL BE IDLE AT ALLIANCE

ALLIANCE, O., April 10.—Switchmen and yardmen of the Pennsylvania railroad numbering 325 joined the strike this morning completely tying up freight traffic. Between 12,000 and 15,000 men will be thrown out of work by the close of industries.

Glass Men Still Out.

The men who left work at the plant of the Capitan Glass company on Monday are still out and after a conference with officials last night failed to reach an agreement. It is considered that a compromise will soon be effected, however.

Divorce Libel Filed.

Sarah E. Barron of Mount Pleasant township, has filed her libel in divorce against her husband, John Barron.

Transportation System in New York City Greatly Hampered.

THOUSANDS IDLE THERE

Effect of Suspension of Freight Traffic Is Almost Immediately Followed in the Closing of Mills in Great Industrial Districts; Travel Impeded.

By Associated Press. CHICAGO, April 10.—Started as a freight tie-up the railroad strike today invaded the passenger field in New York, where several trains were cancelled while the freight tie-up continued to spread among yard switching crews from coast to coast.

In Chicago, where the first of the "illegal" strikes were called brotherhood heads, asserted the situation was slightly improved today. The situation in New York attracted special attention today. Three thousand five hundred freight yard employees already on strike there were joined by crews of many passenger trains while at the same time workers on the Hudson river tubes deserted their posts. An express embargo was ordered at New York and reports were current that a passenger embargo might follow.

While available figures indicated between 35,000 and 40,000 railroad men had joined the strikers, railroad managers here estimated today that at least half a million workers in other lines had been forced out of employment.

In Chicago 50,000 packing house workers were idle. Three thousand were idle at St. Louis. At Gary 12,000 steel mill employees had been sent home and 35,000 in the Youngstown steel mills were expected to be idle. Many miles in southern Illinois were reported closed as the result of the strike and it was expected 20,000 miners would be thrown out of employment.

NEW YORK, April 10.—The series of unauthorized railroad strikes, which virtually paralyzed the freight transportation system in New York and vicinity early today spread to passenger lines.

Firemen on outgoing trains on the Erie railroad at Jersey City quit this morning, causing the withdrawal of some trains and the delay of others until firemen could be found.

The crew of a Philadelphia local train at the Pennsylvania station did not appear at 6:30 o'clock. A second train, however, left on time, half an hour later.

Express trains to Philadelphia scheduled to leave at 9 and 9:30 were cancelled because crews failed to appear. The 8 o'clock and 8:10 o'clock trains reported and these trains left for Philadelphia.

Notices were posted in the Pennsylvania station that "until further notice tickets to all points will be sold subject to delay, due to labor disturbances."

An embargo on express matter was ordered today as the railroad strike gained ground in New York, further tying up of freight and crippling passenger service on many lines. Reports were current that a passenger embargo might be required before the day ended.

A review of the strike situation throughout the United States by the Associated Press showed the number of men out through the country as follows: Shenango valley, 250; Chicago, 3,000; St. Louis, 5,000; Toledo, 4,000; New York-New Jersey, 3,500; Youngstown, 3,000; Buffalo, 2,000; Kansas City, 1,500; Los Angeles, 1,400; Detroit, 1,500; Pittsburgh, 1,000; Fort Worth, 500; Columbus, 500; San Francisco, 440; Indianapolis, 350; Gary, Ind., 300; Salt Lake City, 300; Syracuse, N. Y., 250; Saginaw, Mich., 200; Ogden, Utah, 150; Pueblo, Col., 150; Decatur, Ill., 100; Milwaukee, 100; Peoria, Ill., 100; Springfield, Ill., 50; Joliet, Ill., 50; Scranton, Pa., 50; Bloomington, Ill., 75; Fort Wayne, Ind., 35; Portland, Ore., unestimated.

FIVE HUNDRED TO QUIT IN CLEVELAND YARDS.

CLEVELAND, O., April 10.—A meeting of 500 yardmen employed on Cleveland railroads adjourned at noon today after the men had voted to go on strike at 2 o'clock this afternoon. They left the hall cheering and shouting: "All out at 2 o'clock." The men were from the Erie, Pennsylvania and Big Four railroads, it was said.

At the same time it was learned that the "first trick gang" of New York Central switchmen, numbering about 100, meeting in Collinwood this morning, voted against a strike at present.

The second trick gang of Collinwood New York Central switchmen meets this afternoon and the third trick gang meets tonight. Five hundred switchmen are employed there.

4,000 MINERS ARE IDLE IN KANSAS

PITTSBURGH, Kan., April 10.—Four thousand miners were idle this morning, an announcement from the headquarters of the coal operators said. About 40 mines are involved. More than 12,000 miners are employed in the district.

PLANS DISCUSSED FOR INTERCHURCH FINANCIAL DRIVE

Various Phases of Movement Considered at Convention in Uniontown.

LOCAL MEN DIRECTORS

Rev. G. W. Backner, Rev. Francis J. Scott, Rev. J. Earle Edwards and Rev. J. S. Showers Named as Associate Directors; Literature Spread.

Plans for the Interchurch World Movement campaign in Fayette county beginning April 25 were discussed at a meeting of several hundred ministers and laymen at the Third Presbyterian church, Uniontown, Friday. Connellsville was well represented. A number of ministers are members of the directing board.

A team of several workers under the leadership of B. S. Forsythe, divisional campaign director for Western Pennsylvania, presented all phases of the campaign. Rev. R. C. Betts led the devotional services. Rev. G. C. Fisher, First Presbyterian church, of Latrobe, explained the Interchurch World Movement. Mr. Forsythe presented the plan for the financial drive from the community viewpoint, and a general question box and discussion was held at the morning session.

At noon a group of the directors for communities of the county held an informal conference while at lunch at the Tidlow hotel. The early part of the afternoon was devoted to denominational conferences under different leaders in the various churches in the city. Two of the largest were those held by the Presbyterians at the Third church, led by Rev. Anderson of New York, a leader in the New Era Movement, and by the Baptists at the Great Bethel church under the leadership of Rev. Riley of Fairbairn. A group of several denominations having small representations met with Mr. Forsythe. The foreign surveys and the witness of the bulk were presented in the afternoon by Rev. W. P. Wishart, United Presbyterian, of Uxley, and Rev. R. H. Kirk, Presbyterian, of McKeesport. The home survey was presented by Rev. Betts. Rev. J. G. Nace, county survey director, told of the work done and yet to be accomplished in this county, and J. W. Dawson, county campaign director, presented some interesting statistics concerning the population of the county and of the number without any church relationship, estimated at 33,000.

In the evening R. E. Rudisill opened the service, after which Mrs. J. A. Jordan of Pittsburgh, representing the M. P. Forward Movement, and a returned missionary from China, spoke urging the cooperation of the women. Rev. Kirk presented the subject of personal work to the laymen and placing the responsibility of the success of the entire movement upon them. A wonderful series of stereoscopic pictures of the survey were shown by Rev. Wishart.

About 200 visited the conference and literature for the actual financial campaign was delivered to the workers. Teams will be organized in the churches for the actual solicitation and these teams will work under the community and denominational directors.

Earl S. Areford has been chosen chairman on speakers and will endeavor to see that speakers are supplied for all of the meetings to be held. Most of the churches are planning to make the every member canvass on the afternoon of April 25 and mass meetings will be held in every church on the afternoon of Sunday, the 18th.

J. W. Dawson is county campaign director with the following ministers as the county denominational directors: Presbyterian, Rev. C. R. Harmon; Methodist, Protestant, Rev. R. H. Boyd; Christian, Rev. G. W. Backner; United Presbyterian, Rev. Francis J. Scott; Methodist Episcopal, district superintendent; United Brethren, Rev. T. C. Harper; Baptist, Rev. J. Earle Edwards; United Brethren, Rev. J. S. Showers; Reformed, Rev. E. E. Henderson.

BE KIND TO ANIMALS WEEK BEGINS MONDAY; PUBLIC IS ASKED TO OBSERVE EVENT

"Be Kind to Animals Week" will be observed throughout the country April 22 to 28, if appeals of the American Humane association meet with the cooperation of the public. This will be the sixth annual observance of the week. Along with its crusade for humane treatment of animals the organization seeks to prevent cruelty to children. It acts as a clearing house for ideas and promotes legislation, both state and national. Ministers are asked to call attention to the observance and assist in any manner they can promotion of the

cause for relieving suffering on the part of the dumb creatures—horses, dogs, cats. Sunday, April 18 is set aside as humane Sunday, but the invitation to the ministers is to call attention to the whole week, which precedes that day. Connellsville is without a humane organization. That there is need of one has been evident for years, especially for the protection of horses. There is a humane officer but rarely is there a prosecution for maltreatment of an animal.

COAL AND COKE WILL BE HARD HIT IF THE STRIKE CONTINUES

Moremont to Valleys is Already at a Standstill; Prices Take a Drop From \$11 and \$12 to \$9.50

The tie-up of the Pittsburgh & Lake Erie yards at Newell, where coke is received from the Pennsylvania and the Monongahela railroads for distribution to the consuming markets in the Mahoning and Shenango valleys, and similar conditions prevailing at Dickerson Run of the Pittsburgh & Lake Erie and at Conaway yards of the Pennsylvania, has the effect of bringing coal and coke traffic to a standstill. As a result the moving of loads and placing of supplies will be interfered with and mining and coking operations in the districts thus served will be forced to suspend. If the strike continues even for a few days.

The embargo at Youngstown and other points only serve to make conditions worse, insofar as the movement of coal and coke is concerned. Furnaces will be compelled to bank and mills close down for lack of fuel, there being no reserve stocks of either coal or coke on hand at the consuming points. Car placements in the region were close to 100 per cent yesterday and the day's loading was in large part moved to the scales. These loads will be held at the scales by the embargo thereby tending to create congestion.

The coke market quickly felt the effects of the interruption to transportation. From \$11 to \$12 for furnace coke the price dropped to \$9.50 with the buyers displaying no eagerness to close because of the fear that conditions would prevent early movement from ovens to consuming points.

SEDUCTION CHARGED

Fairchance Man Has Giant Son-in-Law Haled Before Justice.

Failing to gain his point through a habeas corpus action, E. J. Moats, of Fairchance Friday evening filed an information against Ben J. Swaney of Smithfield, charging him with unlawfully enticing away his daughter, Etta Naomi Moats, 13 years old, to whom the defendant was married Monday at Cumberland, Md.

According to the plaintiff Swaney and three companions drove up to the gate at the Moats home in an automobile and induced Naomi to accompany them. When he heard of it Moats said he hired an automobile and gave chase but did not meet with the elopers until they were on their return at Fairchance. There the father forced the girl to leave the car and return home with him.

Later in the week the court awarded the girl to her husband.

The day following the marriage Moats and Swaney had an encounter in which Moats admitted striking his son-in-law.

Swaney is 24 years old and weighs 213 pounds. His bride weighs 31. She will not be 14 until July.

The hearing will be tonight.

REV. KANAGA HONORED

Former Local Pastor to Be Archdeacon of Pittsburgh Diocese.

Rev. Cortlandt Whitehead, bishop of the Pittsburgh diocese of the Protestant Episcopal church, yesterday nominated Rev. Alton S. Kanaga, pastor of Grace Episcopal church, Mount Washington, Pittsburgh, to the board of missions of the diocese as archdeacon for the field work of the diocese.

Rev. Kanaga is well known in Connellsville, having been rector of the local Episcopal church at one time. He came to the Pittsburgh charge from Ohio six years ago and for five years was on the clergy staff of St. Peter's Episcopal church of Uniontown, the work of which covered practically all of Fayette county, with churches in Uniontown and Connellsville and at Scottdale and Dunbar.

BISHOP SELLS PROPERTY

Buff Brick in Carnegie Avenue Brings \$10,500 Cash.

The property of W. C. Bishop, Carnegie avenue, near the library, was sold this afternoon by Mr. Bishop to Mr. and Mrs. John Darrah Armstrong of Pittsburgh and Mr. and Mrs. Thomas O'Donnell of the West Side, Connellsville, the purchase being jointly. The price was \$10,500 cash.

The house is a double one. The purchasers will occupy it. The Armstrongs will move next week. The house is of buff brick. It was erected five years ago.

CAR SHORTAGE CAUSE OF HIGH PRICES OF COAL, OFFICIAL SAYS

Operators Not Profiters, is Declaration of Secretary of Kanawha Coal Association.

By Associated Press. CHARLESTON, W. Va., April 10.—Failure of the railroads to supply adequate transportation facilities for the movement of coal from the mines to the markets is the fundamental cause for high prices of coal, was the assertion made here by D. C. Kennedy, secretary of the Kanawha Coal Operators' association.

Mr. Kennedy said the operators were not profiteers and held them blameless for the extreme prices that were being offered for coal.

RECRUITS WANTED

Army in Need of Men for Air and Motor Transport Branches.

Sergeant D. M. Brandon, in charge of the Army recruiting office in Connellsville, has been notified that the Army is again seeking men for both the air and motor transport service, both branches having been closed since last October. The Air Service offers a one-year enlistment plan for either enlisted or airplane section. All men enlisted under this authority will be sent to San Antonio, Tex. The Motor Transport Service seeks 3,500 men over 21 years old. All will be sent to Camp Holabird, Md., to the motor transport school.

All applicants may choose any regiment in the United States for three-year enlistment or any regiment of engineers, field artillery or detachments of the Ordnance Department for one year.

TROOP OF CATALYT

May Be Organized by Prominent Business Men of Greensburg.

A number of prominent business men of Westmoreland county are anxious to have a troop of cavalry organized, with quarters at Greensburg.

It is pointed out that there are many polo players in that section, men who have seen service and have their own mounts, and that it would not be a very difficult matter to effect such an organization.

Western Maryland Wreck.

A temporary tie-up occurred on the Western Maryland road this morning when two freight cars were derailed at the east end of the trestle at Fayette. The cars were replaced on the tracks. A wreck of 14 cars occurred at the west end of the bridge yesterday morning.

GOVERNMENT NOT READY TO INTERFERE

Belief in Administration Circles Brotherhoods Can Control Strike.

MAY COME TO SHOWDOWN

Officials Inclined to View That This Is Good Time for Test of Strength Between Union Officers and Those Leading Unauthorized Suspension.

By Associated Press. WASHINGTON, April 10.—Should the strike of railroad employees threaten a paralysis of transportation the federal government would have to intervene, it was said today by high administration officials. The strike is not regarded as having reached that stage and government officials who are keeping in close touch with the situation are of the opinion that the authorized leaders of the unions will be able to control it without government interference.

Some government officials said they would not be surprised if the rapidly spreading strike resulted in a showdown between the union officers and those leading the strike. Officials declared that this was as good time as any for the tests of strength.

President Gompers of the American Federation of Labor, who has been in New York, left there last night for Cleveland, O., headquarters of the Brotherhood of Railroad Trainmen. Federation officials would not discuss the strike nor the purpose of Mr. Gompers' trip but it was understood the labor chief was to confer with brotherhood officials on the general situation.

READY FOR "Y" DRIVE

Reports on Canvass For 600 Members to be Made Each Evening.

Final instructions to the captains and team members who will conduct the drive for 600 members for the Baltimore & Ohio T. M. C. A., beginning Monday, were issued at a supper in the "Y" auditorium last night.

About 25 men were present and every one indicated he will be a hard worker. There are still a few more men to be secured for vacancies on the teams.

Starting Monday night the teams will report each evening throughout the week at 6:30 o'clock for supper at which time reports will be filed. Friendly rivalry between the two leagues will keep up interest in the campaign.

A Chapman was selected as a captain of the "Pirates," a railroad team, yesterday. P. J. Donahue is the only other man yet selected to a place on that team. This team will have to be filled and the entire "Cub" line-up selected before the drive opens on Monday. Dr. Russell Egan has been added to the team of R. L. Sisco and H. R. Taylor is on T. S. Barner's.

MEMORIAL SERMON MAY 23

Will Be Delivered at Presbyterian Church by Rev. J. L. Proudfoot.

The annual memorial sermon to William F. Curry Post No. 104, Grand Army of the Republic, will be delivered Sunday, May 23, in the First Presbyterian church by Rev. J. L. Proudfoot, the pastor. At the regular meeting of the post held yesterday afternoon in Odd Fellows' Temple arrangements were made for a delegation of the veterans to visit the Vanderbilt schools on Thursday afternoon, April 22, to create an interest in the observance of the day among the school children of that community. It is the desire of the veterans that they take part in the exercises and also gather flowers for the decoration of the deceased soldiers' graves. The local schools will be visited some time next month. Further plans for the observance will be made at the May meeting of the post.

Following the business meeting the veterans celebrated Appomattox Day with a short program. Appropriate talks being given by Captain Edmund Dunn, Colonel J. J. Barnhart, J. E. Jones, William Artis and W. P. Clark, commander of the post.

MISS MARIE WEIDINGER

TENDERED SURPRISE SHOWER

Miss Marie Weidinger, a bride elect, was tendered a surprise miscellaneous shower last evening at the home of Mr. and Mrs. T. J. Brennan in Johnson avenue. The shower was given by Miss Nellie Brennan and was beautifully appointed. A color scheme of pink and green was artistically carried out. The table was centered with tulips, while the candelsticks were capped with dainty pink shades. Attached to each of the many beautiful gifts received by Miss Weidinger was a card, containing an appropriate verse. Delicious refreshments were served and a most enjoyable time was had. Twenty guests, including Miss Ella Miller of Scottsdale, attended. Charming Children's Party.

Mrs. James Rapoport is hostess at a charmingly appointed children's party this afternoon at her home in Isabelle road in honor of her son, Richard Rapoport. The hours are from 3 to 5 o'clock. Thirty of Master Richard's small friends are in attendance and are spending a delightful afternoon at various amusements, a game of quads being one of the entertaining features. At 4 o'clock the little guests assembled in the diningroom where an elaborate picnic luncheon, consisting of the many delicacies of the season, was served. Easter decorations were cleverly carried out. The novel centerpiece was a miniature barnyard, while a Jack Horner pie, depending from the center of the room contained an attractive favor for each guest. Small-Easter baskets were also given as favors.

At the Theatres

THE SOISSON.

"SINNERS"—From the play of Owens Davis, with Alice Brady, supported by an all star-cast, in the leading role, is being shown today. "Sinners" is an unusual picture, a rare combination of a striking vivid story and an exceptionally capable actress. Miss Brady has done the best work of her career in the interpretation of the role of Mary Horton, the girl who fell among sinners. The story tells of a New England girl who goes up to New York to make her own way. Mary Horton is just the kind of a girl one would expect to find in a little country place like Ponset Point—just as pure and fresh as the winds that swept over the Ponset hills.

There was another girl, Hilda West, who once lived in Ponset Point, but she had gone to the city, and the villagers never spoke of her without a shake of the head—the men usually winked knowingly.

These two girls met in the big city; the first, poor and discouraged, and the other enjoying all the material comforts and luxuries.

THE PARAMOUNT.

"THE DAY SHE PAID"—In which Francesca Billington, the beautiful actress, co-stars with Charles Clary. It is an interesting feature today.

In "The Day She Paid," Francesca Billington appears as the head model in a New York ladies' wear emporium, who, under a false promise of marriage, has had an affair with her employer, portrayed by Harry Van Meter. Several years later she is offered marriage by a rich merchant from upstate, played by Charles Clary, and securing a promise of silence from her former lover, accepts the proposal. Her husband is a widower with two children, girls aged four and six. Several years later, while visiting his prosperous customer, the New York manufacturer meets and is infatuated with the step-daughter of his former model, and in order to save the girl from a fate similar to her early experience, she is compelled to confess her sin. How her husband, bound by the narrow conventions of society, receives her confession, how the young daughter is threatened by an unfortunate alliance and how the self-sacrifice of the woman finally wins its own reward, are told in a series of interesting scenes.

THE SOISSON.

"MY SOLDIER GIRL"—A clever musical show of dazzling splendor, will be the attraction Monday night at this theatre. This big success not only holds the audience with its swinging, biting melodies, but offers two gorgeous settings that are new and novel in design. The first scene is set at Colonel Stone's home, Miami, Fla., during a lawn fête in honor of overseas soldiers, with wonderful decorations of flowers and lights.

The excellent cast includes William Moore, in the comedy role, supported by a brigade of bewitching girls who can sing and dance, and possess a personal charm. Dorothy Carrigan, as "Dixie Harris," the Soldier Girl, is chic and charming—sings, dances and gawks about in all her merry making.

Made by
Boston Cereal Company, Boston, Mass.

THE atmosphere of personal service, of interest and attentive concern for your welfare that pervades this great store is something that cannot be produced artificially. You find it here because the principle upon which this business has been built is "the customer's interest, first, last, and all the time."

Credit is as old as America—even the Indians used it when they borrowed fish hooks from fellow tribesmen, agreeing to repay the loan with part of the fish. Our Extended Account privilege is open to all worthy people. It is yours to take advantage of during this, our Great Twenty-Ninth Anniversary Sale.

Our 29th Anniversary Removes All Price Barriers to Beautiful Furniture

15% OFF

On Furniture for Every Room in the Home

15% OFF

Sale Starts Monday, April 12th

Outdoing and outdistancing every other Anniversary Sale ever held by Aaron's, the opportunities that will be genuine features in every department of this great six-floored store, should mean something to every home in Connellsville.

This is a sale that should make you think, and it will if you view the fine assemblage of good furniture that will be found on every floor. Practical commonsense has been shown in the selections—what is wanted—what is in perfect harmony of taste—in fact, the best that skill and experience can produce of lasting beauty and comfort is here—and with all price-barriers down.

Whether it is furniture for a mansion, or furniture for the average American home—subdued designs or ornate—whatever your fancy may dictate, you may be sure of finding it here at Aaron's during this Twenty-Ninth Anniversary.

Thousands of pieces of America's finest cabinet work will be sold during the sale, and fortunate indeed will be those homes that avail themselves of this remarkable economy service, in view of present market conditions. And please remember that "Aaron quality" will apply to every solitary article in the store, from the lowest priced goods to the highest-priced—the added dollar values that will be given are the same as always.

This is not a sale suddenly decided upon and gotten up overnight, but represents months of studied buying and planning, in order that the people of Connellsville might be able to select from a quantity and a variety quite unbelievable until it is seen, understood and appreciated. Despite the "scarcity of furniture" talk, we have plenty, thanks to our unceasing efforts to provide for our friends and patrons the kind of furniture they want, the periods they like, the finish they have set their hearts upon, and the particular style they may prefer. No shortage! No scarcity! Plenty.

And what is most important of all, the furniture will be sold at a saving representing twenty dollars out of every one hundred—and more than that, we guarantee permanent and positive satisfaction from anything purchased—makes no difference what it may be.

Every article in the house except Whittall Rugs, Victrolas and Hoosier Kitchen Cabinets will be sold at 15% reductions.

The Scottish B. P. O. E. entertained the Civil War veterans of this community at the lodge rooms last evening in celebration of Appomattox Day. Covers were laid for 90. Dr. McKee was toastmaster. Judge J. S. Beacom gave a very eloquent address on "Americanization." Captain Jack Kennedy gave a most interesting talk on the war on the other side and paid a glowing tribute to the Civil War veterans, comparing the hardships of the present day soldier and the boys of '61. James J. Keegan also gave an address. Robert Barkell's orchestra furnished the music. The rooms were beautifully decorated with American flags. Following the banquet a troupe playing at the Scottdale theatre gave a show that very much pleased the veterans. Among the Civil War veterans present were: Peter Horne, 15th Regiment, West Virginia; Henry Kestler, 104th Ohio Volunteers; John W. Fox, 162nd Pennsylvania Cavalry; C. H. Cook, First New Jersey Cavalry; W. J. Riffe, 138th Pennsylvania Infantry; D. E. Busch, 30th Iowa Infantry; Harvey Luker, 38th Pennsylvania; James A. Luker, 22nd Illinois Infantry; Benjamin May, 103rd Pennsylvania Volunteer Infantry; Rev. S. E. Corns, adjutant, 16th Pennsylvania Cavalry; J. C. Sterrett, 85th Pennsylvania; and C. E. GAVE HER STRENGTH

Mrs. Miller Says That is What Lydia E. Pinkham's Vegetable Compound Did For Her—Read Her Letter—

Minneapolis, Minn.—"I was run down and nervous, could not rest at night and was more tired in the morning than when I went to bed. I have two children, the youngest three months old, and it was a struggle to care for them as I felt so irritable and generally worn out. From lack of rest and appetite my baby did not get enough nourishment from my milk so I started to give him two bottle feedings a day. After taking three bottles of Lydia E. Pinkham's Vegetable Compound I felt like a new woman, full of life and energy. It is a pleasure to care for my children and I am very happy with them and feel fine. I nursed my baby exclusively again and can't say too much for your medicine."

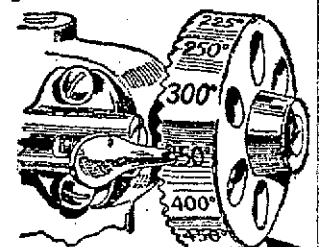

—Mrs. A. L. MILLER, 2933 E. 24th St., Minneapolis, Minn.
Since we guarantee that all testimonials which we publish are genuine, it is not fair to suppose that if Lydia E. Pinkham's Vegetable Compound has the virtue to help this woman it will help any other woman who is suffering in a like manner?

SUCCESS IN SIGHT IN

DRIVE FOR BALL FUND

The public is responding in a sportsman-like manner to the appeal to raise sufficient money to erect stands and bleachers at Fayette Field for their convenience. Before another week passes it is hoped that the club will have money enough to let the contract for the building of these important accessories. The work of getting the field in shape will be undertaken as soon as the weather gets a little warmer. The players lined up by Manager Chip Francis will soon be capering over the lot.

A meeting of the directors of the club will be held next Tuesday night. At this meeting contributions will be audited, and then the public will be informed of the total amount received.

BASEBALL CHIEFS

The "rotter" baseball team, which was forced to call off "jackets" last week because of the wintry weather, will confer on the field Monday, providing Old Sol is there with his warm rays. Trotter expects to open the season in the Baltimore & Ohio team on the home grounds. The Trotter management would like to hear from the manager of the Evanson team.

John DeTemple of Sligo mill is working hard to line up a team of the mill boys to play this season. There should be plenty of good material at the mill for a first class team. DeTemple should not overlook Jack Meyers when he gathers the tossers together, as Jack is some classier player.

The Baltimore & Ohio V. M. C. A. will put out a senior team of baseball players. It plans of Secretary Underwood do not miscarry. With the Captain Glass company's team, the B. & O. the V. M. C. A. and Sligo mill there are enough clubs to form a city league.

While we are at it, we should mention that Dennis Johnson will no doubt be there with his team of colored tossers. These boys put up some dandy games with Uniontown, Morgantown and others along the line.

Newt Wilson will get a team together to play the Connellsville Independents in a practice game. Newt calls his bunch of players the "Old Timers."

"Eddie" Wall, the official referee of all the basketball games which took place here during the past season, wants to secure a berth as umpire of the Independents' games. Wall's work in the cages was of high order.

Our conception of a fellow who wants to umpire baseball games is that he either does not like himself or he must be married, therefore not caring what happens.

BASKETBALL

At the Baltimore & Ohio V. M. C. A. last evening two games of basketball were played in the junior championship series. In the first game the Wallopers defeated the Ringers in one of the closest games of the schedule by the close score of 5-5. The second game was between the Raiders and Tigers and ended with the latter being defeated by the score of 18-9.

Since the announcement that a new team of basketball tossers were going to take the floor next season under the name of the Connellsville Collegians, quite a number of fast players want to be signed up. The latest being Murphy, the fast player of Scottdale.

TENNIS

At a meeting of the Connellsville Tennis association held recently, invitations were issued for the big dance to be held by the association at the armory April 20. The association will start on the improvements to the South Side courts the first of next week.

BOWLING

The 10-game total pin bowling match between Shelia House and Bobby Wilson will start Tuesday night at 8 o'clock on the Manhattan affairs. Considerable interest has been aroused in the outcome of the "fod," which started through the miserable show.

URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY

Can Make Pint at Home and Costs Little, Says Leading Druggist of Covington, Ky., Who Has Made Special Study of Catarrh.

Says: Inflamed Nostrils Invite Influenza

People who say that catarrh is a disease not to be taken seriously are harshly rebuked by a Kentucky druggist who has for years been much interested in the growth of this loathsome, yet altogether too common disease.

He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs—not only the germs of influenza, but many other kinds as well.

If people would only stop experimenting for two weeks and try a simple remedy made of Mentholized Arcline mixed with enough boiled water to make a full pint, half of the catarrh in this country would be abolished. It's really no joke for people

who don't know about this simple recipe to be constantly sniffing and snuffing, blowing and hawking, when all these obnoxious symptoms as well as the foul discharge can be made to disappear in a few days.

Ask for three-quarters of an ounce of Mentholized Arcline—that's all you need and after you have mixed it with enough boiled water to make a pint, gargle the throat twice daily and snuff or spray some up the nostrils, as directed.

The tender nostrils will soon lose their soreness, heal up, and be clean and healthy. Important Reminder: Just as soon as anyone in the family gets a cold in the head, check it at once with this same medicine.

How Diphtheria Is Contracted.

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. If your child has a cold when diphtheria is prevalent you should take him out of school and keep him off the street until fully recovered, as there is a hundred times more danger of his taking diphtheria when he has a cold.

When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted. —Adv.

Good and comfortable

—extra rubber where the wear is hardest

THE hardest work a miner does is made twice as hard if his shoes aren't right. It's cold, wet feet if they leak—blisters and sores if they don't fit easy.

That's why the old timers are so careful in picking out their shoes. It's why more and more of them are now wearing the U. S. Bootee—It's the rubber shoe that's made especially for miners.

It's absolutely water-tight! Every pair of U. S. Bootees is backed up where the wear is hardest. Extra thicknesses at just those points where your shoes usually leak first!

It's made on a good comfortable last! No rubbing up and down at the heel—always plenty of room for your toes—the U. S. Bootee has real comfort built right in.

Go to the store and see the U. S. Bootee for yourself. It comes in two styles, high and low—the high with six eyelets, the low with four. Ask for U. S. rubber footwear—it means solid wear and long service for your money.

"We'll soon have you out of here," he went on, "now that I am here to help you. I got you into this, and I'll get you out of it if it takes every cent I possess. There's more than one fight left in old Rufus yet. Now start at the very beginning and tell me everything that has happened since I have been away."

What a relief it was to talk freely! With my mind once and for all cleared of all suspicion toward my old great-uncle, I began my story. Somehow the tie of blood is strong in time of trouble. I found it vastly easier to talk with my aged relative than it had been with either Gorman or my lawyer.

I began with my chance meeting with Barbara Bradford in the park as the blackmailers awaited her there. I told everything that had followed with the utmost detail, even to such small matters as my first meeting with Wick and the undue curiosity he had exhibited as to my acquaintance with the Bradfords. I related the story of my unaccountable discharge in disgrace from my position and told of Gorman's unavailing efforts to learn the reason.

"The day I was discharged," I went on, "I had drawn out from the savings bank all my money with the purpose of sending it to my mother to whom I was in debt. I still had it with me when I arrived home at the apartment and I decided to put it in the wall safe, to which, you recall, you had given me the combination. Out of mere curiosity—I made this confession with a blush of shame—I had inspected the contents of the safe the day of my arrival and had examined the two caskets. The minute I opened the safe this second time I saw that it had been looted."

"What," exclaimed my great-uncle, starting from his seat, "not the pearls?"

I nodded.

"Everything," he said, "the pearls with the pearly was gone. The only with the trinkets was undisturbed."

"Good heavens!" he exclaimed. "My wife's pearls stolen! Why, boy, I paid a hundred and fifty thousand dollars for that string. Tell me everything about it—everything, at once."

I could only repeat what I had told him already. When I had opened the safe on Sunday the pearls were there. When I had opened it again on the following Saturday the pearls were gone.

"Of course you told the police at once."

I explained to him why I had not done so, and my reason seemed to satisfy him.

"Go on with your story," he calmly directed. He seemed to have himself well in hand again. After the first shock at hearing of the loss of the pearls, he showed no sign of emotion or displeasure.

He listened intently as I told him of my second meeting with Barbara Bradford when I had learned that the Bradford wall safe had been looted, too, and the papers abstracted concerning the annulment of Claire's first marriage. He nodded his head slightly when I told him of the anonymous notes found on the floor in both apartments.

"Did you hear the whispers, too?" he questioned.

"Yes," I answered. "I heard them several times. Barbara has heard them, and the landress, too."

A look of unspeakable relief came over his face.

"I'm glad to know that others have heard them besides myself. When a man gets old his nerves sometimes play him strange pranks. The whispers seemed so unreal and incredible that I feared that I was suffering from the hallucinations of old age. Now that I know that the whispers are real, there is nothing to fear."

"And," I observed, "I believe, I am almost positive, I can explain the origin of the whispers."

"Tell me," he cried, his manner now entirely changed. He seemed elated at discovering that his brain was still dependable. It was as if a burden had suddenly been lifted from him.

Here was my opportunity. Gorman had utterly refused to credit my story of a secret passage and had ridiculed it. There had been no way that I could prove it, nor was it possible for Gorman to have investigated the walls of the Granddeck, even if he had placed any credence in my story. With my great-uncle it was different. As the occupant of the apartment he would have every right and opportunity to explore and verify my statements. I told him how, while speculating as to the origin of the whispers, I had observed the discrepancy in the measurements of the apartment and had verified my deduction that there was space enough for a passageway big enough for a man to traverse in the wall between the room I had occupied and the long hall. He listened intently as I described the plan of the rooms in detail and nodded his approval.

How Is Your Complexion?
A woman should grow more beautiful as she grows older and she will with due regard to bath, diet and exercise, and by keeping her liver and bowels in good working order. If you are haggard and yellow, your eyes losing their lustre and yellowish, your flesh flabby, it may be due to indigestion or to a sluggish liver. Chamberlain's Tablets correct these disorders.—Adv.

FREED FROM THE PHYSIC HABIT

Says Her Constipation Ended and Stomach Trouble Left. Tells How.

"I had stomach trouble and constipation very bad for a long time. Tried everything, but kept getting worse. I could hardly eat anything and my bowels wouldn't move unless I took a physic every day. I have to support myself and two children, yet, I couldn't work."

"The first bottle of Milks Emulsion did wonders for me, and I have continued its use until now I feel fine and can work every day. I have a good appetite, my stomach trouble has left me and my bowels are as regular as clock work."—Mrs. Mary Widener, 103 South Court street, Sioux City, Iowa.

Mrs. Widener found out what all sufferers should know—that pills, salts and physics do not end constipation, but usually make it worse.

Milks Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength Milks Emulsion is strongly recommended to those whom sickness has weakened, and is a powerful aid in resisting and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children.

No matter how severe your case, you are urged to try Milks Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c and \$1.20 per bottle. The Milks Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.—Adv.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 10c and 25c a box.

A PROCLAMATION

Whereas, the people of our city have been led to purchase so-called remedies from which they have received no benefit whatever, and having thus wasted so much hard-earned money, it has come to pass that they know not what to believe.

Inasmuch as this unsatisfactory state of affairs exists, KNOW, THEREFORE, ALL PERSONS who are in need of such a medicine that we will supply them with VINOL on a POSITIVE GUARANTEE that if it does not succeed in benefiting them we will refund the entire amount of money paid us for it.

There is no one medicine that will cure everything, but there are some we know to be honest, reliable, and of great curative value. Such is VINOL; it is not a secret medicine,—just peptonate of iron and all the curative extractives of cod liver oil, combined with other body-building and strength-creating ingredients. The complete formula is on each label. We KNOW that it should benefit every one who uses it.

Could any offer be more fair than this? You are ill; we offer you medicine which we believe will help you, and if it does not we will return your money. Is there anyone foolish enough not to accept this offer? You owe it to your family, to your friends, and yourself to try this medicine which we give you on pledge is a genuine cod liver and iron preparation of great merit.

We unhesitatingly recommend Vinol as a Body Builder and Strength Creator for Feeble Old People, Delicate Children, Frail Women, All Run Down Persons, and Those Needing a Good Tonic after any Severe Illness, and for Coughs and Colds.

Do you think we could afford to lend our name to its praises, as we have been doing in the newspapers, if we did not know VINOL to be an honest and unusually valuable remedy for the ills for which it is prescribed? We certainly could not; we therefore ask you, our neighbors, friends and acquaintances to accept our assurances that this is a genuine offer, and that any and all persons who need a medicine of this character should feel a sense of security in accepting it.

Call and get a bottle to-day. You won't be sorry.

Could Not Stand Straight. It does not take long when the kidneys are out of order and not doing their work properly for poisonous acids to accumulate in the system and cause aches and pains. D. C. Diamond 286a W. 39 St. Cleveland O. writes: I caught cold and it settled in my kidneys. My back and sides were so lame and sore I could not stand straight. I use Foley's Kidney Pills with good results and am glad to testify to their helping power. Sold everywhere.—Ad.

Chamberlain's Cough Remedy. The great benefit derived from the use of Chamberlain's Cough Remedy has been gratefully acknowledged by many. Mrs. Benjamin F. Blakely, Decatur, Ill., writes: Chamberlain's Cough Remedy is by far the best medicine I ever used and coughs we have cured in our family. I gave it to my children when small for croup and have taken it myself.—Ad.
